FAX NO. (920) 788-4130

RECYCLE YOUR USED ENGINE OIL, FILTERS AND ABSORBENTS

www.RecycleMoreOutagamie.org

Did you know if you recycle just two gallons of used oil it can generate enough electricity to run the average household for almost 24 hours? Oil is a valuable, reusable material. It doesn't wear out – it just gets dirty. Used oil/filters and absorbents brought to a collection site can be processed and used as an energy source or re-refined for use as a recycled product.

Outagamie County **family farmers** (no factory farms or businesses) may recycle used engine oil/filters/absorbents only at locations with an * symbol:

<p>Outagamie County Department of Solid Waste 1419 Holland Road, Appleton 920- 832-5277 Ext #1 Open: Mon – Fri 7 am to 3:30 pm; Sat 7 am to 11 am Accepts: Oil, Filters and Absorbents*</p>	<p>Appleton Yard Waste Collection Sites 801 Whitman Ave or 2625 E. - No commercial business disposal is allowed at the above locations. Please check RecycleMoreOutagamie.org for alternatives.
- These drop off sites are provided for the disposal of used oil only (unless otherwise specified).
- Do not mix or blend oil with anything else. Oil that is contaminated with other wastes, such as gasoline, solvents or anti-freeze, cannot be recycled. Mixtures of oil and other wastes can be brought to the Outagamie County Clean Sweep Program for disposal.
