

## County CE (E. College Ave) & Railroad Street Intersection Village of Kimberly

This project will consist of reconstructing the existing signalized intersection to a Restricted Crossing U-Turn (RCUT) intersection. The intersection has previously experienced significant safety, capacity, and operational issues that will be addressed by the project.

The majority of the improvements are anticipated to be completed under traffic with single lane closures. There will be no access to Railroad Street from County CE during portions of the project.

**Anticipated Start:** July 20, 2023

**Anticipated Completion:** October 2023

**Traffic Impacts:** Single lane closures are scheduled to go into effect on Thursday, July 20th. This will also include the closure of the Railroad St intersection.
