RE: County N Project – CONSTRUCTION UPDATE  
County CE – County KK  
Town of Buchanan

Outagamie County, in collaboration with the Town of Buchanan and Wisconsin Department of Transportation (WisDOT), is holding a public involvement meeting on **Wednesday, April 22, 2026** at the Town of Buchanan Town Hall, N178 County Road N, Appleton, WI 54915. The purpose of this meeting is to discuss the upcoming reconstruction project on County Highway N (CTH N) from County CE to County KK, which is anticipated to begin in early May.

The meeting will begin promptly at 5:00 PM and will include a brief update from the general contractor, *MCC, Inc.*, regarding planned operations, schedule, and property access during construction. Following the update, representatives from Outagamie County, WisDOT, McMahon Associates (serving as construction administration on behalf of Outagamie County & WisDOT), and MCC, Inc. will be available to discuss the project on an individual basis and answer questions.

You are encouraged to attend this meeting to receive the latest information on the project. If you are unable to attend and/or have specific access needs or special requirements related to your property, please contact me with any questions or for assistance. In addition to this meeting, we intend to distribute weekly construction updates via email. If you are interested in receiving these updates, please send an email to [highwayemail@outagamie.org](mailto:highwayemail@outagamie.org) indicating your interest. We have also retained email address information from previous correspondence and project events.

We have made every attempt to contact all property owners affected by this project, however, please share this information with your neighbors, tenants, and other interested parties.

Your cooperation as construction on this project moves forward is greatly appreciated.

Sincerely,

OUTAGAMIE COUNTY HIGHWAY DEPARTMENT

*Joe Zellmer*
