

**EMPLOYMENT OPPORTUNITY  
VILLAGE OF COMBINED LOCKS - PUBLIC WORKS DEPARTMENT  
FULL-TIME LABORER/EQUIPMENT OPERATOR**

Due to a recent retirement, the Village of Combined Locks is accepting applications for a full-time Laborer/Equipment Operator with the Department of Public Works. The ideal candidate will have experience in operating equipment (trash collection truck, dump truck, plow truck with wing and salt spreader, and others), be able to lift and carry objects in excess of 50 pounds, and have a valid Wisconsin CDL. **The Village is willing to help pay for obtaining CDL for the right candidate.** Any skilled labor experience is a plus. Duties include general labor for street maintenance, parks maintenance, refuse and brush collection, maintenance on all utility mains, general maintenance, and other duties as identified by the Director of Public Works & Utilities. This is a full-time, entry level position. The starting wage range is \$23.00 to \$26.50 depending on qualifications. The hourly wage will be reviewed after a three to six-month training period. Excellent benefit package. Typical work hours are Monday – Thursday from 6:00am to 3:30pm, Friday from 6:00am to 10:00am, plus overtime as needed.

To apply, send resume to: Village Administrator, Village of Combined Locks, 405 Wallace St, Combined Locks WI 54113. This position will remain open until filled with the ideal person.
