THE LOCKS LEDGER

Large Rubbish Collection Reminders

Large rubbish collection is the third Monday of each month.

Large rubbish may be placed curbside 24 hours in advance of the collection day.

Large rubbish placed curbside more than 24 hours in advance of the collection day is an ordinance violation subject to a municipal citation.

Appliances are collected only when the resident has prepaid the $20 disposal fee at the Clerk's Office.

Electronics are no longer collected curbside but can be disposed of at Outagamie County Landfill for a fee.

Cross Connection Inspections

To keep the water system safe from contaminants and pollutants, the Village is required to maintain a cross-connection control program. Additionally, the Village is installing smart meters to help residents keep better track of their water usage and be alerted to leaks.

We need to complete 300 cross-connection inspections and install 300 new water meters this fall. Letters will mailed to residents in the section of the Village affected. If you receive a letter, please make your appointment as soon as possible.

Your cooperation is appreciated!
